## Amazing home TV entertainment in HD!

Simply enjoy the Austrian satellite programmes without Smartcard via ORF DIGITAL DIRECT. The HD satellite receiver also allows reception of the free digital TV & radio programmes. In addition, a simpliTV SAT HD subscription can be added to enjoy even more channels in HD. The channel list for calling up to 30 most recently viewed channels contributes to more comfort. Favourite lists for TV and radio, timer functions, teletext, subtitles, software update via satellite and USB are among the many great features offered by the receiver. THS817 stands for new entertainment without compromises!
