Easily upgrade your TV to DVB-T2

Just a little device is needed to upgrade your TV with built-in DVB-T tuner to DVB-T2. The small and handy DVB-T2 receiver lets you enjoy Free-to-Air programmes in best HD quality. Keep it hidden behind the TV, connected to a free HDMI-port and control it via the enclosed infrared extender. Simply power your device by plugging it into your TV's USB. Record and play back videos, pictures and music files via an external storage device using the USB Y-cable connector. Enjoy further features like storing up to 400 channels, booking of recordings using 7 Day EPG, 4 favourite lists, and many more.
